

**Travel Information for Out-of-Town  
Ethical Worlds of Stem Cell Medicine  
September 28<sup>th</sup> (UCB) & September 29<sup>th</sup> (UCSF)  
2006**

We are looking forward to your visit to the Bay Area! In order to help you prepare for your trip, we have compiled the following information.

**Travel Arrangements for Out-of-Town Visitors**

1. Make sure you retain all of your original travel receipts and boarding passes as the UC accounting office requires them for the purposes of reimbursement.
2. You will also be required to provide credit card statements to demonstrate payment of credit card purchases (all private irrelevant information should be blacked out).
3. If you are flying, your domestic airfare at economy class will be covered. The best option is to make your own reservations and submit your receipts and boarding passes for reimbursement. If this is a problem, please contact Clair Dunne at 415-476-7223 or [dunnec@dahsm.ucsf.edu](mailto:dunnec@dahsm.ucsf.edu).
4. The Bay Area has two local airports, Oakland (OAK) and San Francisco (SFO). Since the hotel accommodations are located in San Francisco, it is recommended that guests fly into SFO. Transportation to and from the airports are easy and reasonably priced using a shuttle service. We suggest Super Shuttle (reservations: <http://www.supershuttle.com>). Reservations are necessary if you fly into Oakland, but they are not necessary at SFO; you can pick up a ride at the airport. If your plane is so late that a shuttle is unavailable, we will reimburse you for a taxi ride.

**Lodging**

Reservations have been made for out-of-town guest at the Stanyan Park Hotel (<http://www.stanyanpark.com/>) in San Francisco. The Stanyan Park Hotel is located at Stanyan and Waller St and is conveniently located next to the UCSF Parnassus Campus. Clair Dunne will contact individual speakers to confirm your reservation.

**Honorarium**

Honoraria will be processed after the conference. For tax purposes, we will need your Social Security number to process this request.

**For Assistance**

We hope you have a safe and pleasant trip to San Francisco and Berkeley. Please contact Clair Dunne (415-476-7223 or [dunnec@dahsm.ucsf.edu](mailto:dunnec@dahsm.ucsf.edu)), if you have any questions or require assistance with your travel planning.

**September 28<sup>th</sup> - UC Berkeley**

The first day of the conference will begin at 2pm and will be held at the UC Berkeley campus in Geballe Room at the Townsend Center, which is located in Stephens Hall.
